IDENTIFICATION

Product Name:	MatchPlay KELPLUS
Other Names:	None Allocated
Manufacturer's Product Code:	None Allocated
UN Number:	None Allocated
Dangerous Goods Class and Subsidiary Risk:	None Allocated
Hazchem Code:	None Allocated
Poisons Schedule Number:	Not Scheduled
Use:	MatchPlay KELPLUS is a liquid soil conditioner irrigation additive for use in horticulture.

Physical Description/Properties:

Appearance:	Dark brown to black, free-flowing suspension
Boiling Point:	Not available
Melting Point:	Not available
Vapour Pressure:	Not available
Specific Gravity:	1.07 @ 25°C
pH	6.5-7.0
Flashpoint:	Not available
Flammability Limits:	Not available
Solubility in Water:	Product is a water based suspension

Other Properties:

None Specified

Ingredients:

<u>Chemical Name:</u>	<u>CAS Number</u>	<u>Proportion:</u>
Linear polyacrylamide		Not >50%
Non-ionic surfactant		Not >10%
Seaweed Extract		Not >30%

PRODUCT: MATCHPLAY KELPLUS

SAFE HANDLING INFORMATION

Storage and Transport:

Product quality may be compromised by exposure to above-ambient temperatures and ultraviolet light. To preserve product quality, store in a cool place out of direct sunlight.

Not defined as a Dangerous Good by the Australian Code for the Transport of Dangerous Goods by Road and Rail.

Spills and Disposal:

It is advisable to clean up small spills with sand, diatomaceous earth, soda ash, or other absorbent material, since washing fertilizers into waterways may upset nutrient balances. Load absorbent mixture into suitably labelled containers for disposal.

The material collected can be disposed of at an approved local authority landfill site.

Fire/Explosion Hazard:

Product is water based and not flammable.

Extinguishing Medium:

Not applicable

OTHER INFORMATION:

No other information required.
