

**MATERIAL SAFETY DATA SHEET**

Page 1 of 1  
 Date of Issue 01/10/08  
 MSDS No. 4028

**STATEMENT OF HAZARDOUS NATURE**

Not classified as hazardous according to the criteria of Worksafe Australia.

**COMPANY DETAILS**

Company Greenshed Pty. Ltd.  
 Address 2/17 Barclay Street Marrickville. NSW. 2204  
 Telephone Number (02) 9517 9107  
 Fax (02) 9517 9107

**IDENTIFICATION**

Product Name **Nutrisorb Ca9**  
 Other Names Liquid organic fertiliser  
 Manufacturers Product Code NA  
 UN Number None allocated  
 Dangerous Goods Class Not a Dangerous Good according to Australian ADG Code  
 Sub-Risk Class Not Applicable  
 Packaging Group Not Applicable  
 Hazchem Code Not Applicable  
 Poisons Schedule Not Applicable  
 Uses A chelated liquid fertiliser containing high levels of calcium for hardening turfgrass against expected stress and for lifting soil levels of calcium on cation exchange sites.

**Physical Description /Properties**

Appearance & Odour Thick dark brown liquid  
 Melting point/softening point Approximately 5 deg C  
 Boiling Point Not available  
 Vapour Pressure MM (Hg): Nil  
 Flashpoint Non flammable  
 Flammability Limits Not flammable  
 Solubility in Water Fully miscible  
 pH 4.5 to 5.0  
 Specific Gravity Approximately 1320 kg/L  
 Bulk Density Not available  
 Volatile Proportion Nil  
 Corrosiveness Non corrosive

**Ingredients**

Ingredients	Mixed lactones, carbohydrate oligomers, calcium nitrate, chelated trace elements, liquid vermicast, liquid kelp, fulvic acid, plant saponins, natural gum.
